

Organised by

WEDNESDAY, 15 JUNE 2011

19:00 Pre-conference registration and welcome reception

CONFERENCE DAY ONE 1: THURSDAY, 16 JUNE 2011

09:00 Registration and coffee

10:00 Opening speech by KAZENERGY
Timur Kulibayev, Chairman, **KAZENERGY**

10:10 Welcome speech by the **Ministry of Oil and Gas of Kazakhstan**

10:15 Welcome address from The Energy Exchange and business card exchange

10:30 Session 1: International experience exchange and cooperation in preventing oil spill accidents offshore – oil spill preparedness and response

- Ensuring environmental safety as the main condition for the Caspian offshore development
- Kazakhstan's state programme for prevention of oil spills and the immediate response in emergency situations offshore. Involvement of foreign experts, participants of international projects, in the programme development
- Dealing with major oil spills: 10 key messages from international experience
- Norwegian experience in increasing security of the offshore drilling platforms
- Strategy of Russia for preserving safety at hydrocarbon fields in different waters
- How Azerbaijan is ensuring secure development of offshore projects

Nurgali Ashim, Minister, **MINISTRY FOR ENVIRONMENT OF KAZAKHSTAN**

Vladimir Bozhko, Minister, **EMERGENCY SITUATIONS MINISTRY OF KAZAKHSTAN**

Senior Representative, **OSPRI, OIL SPILL PREPAREDNESS REGIONAL INITIATIVE (CASPIAN SEA - BLACK SEA - CENTRAL EURASIA)**

Odd Magne Instefjord, General Director, **STATOIL NORTH CASPIAN**

Senior Representative, **EMERGENCY SITUATIONS MINISTRY OF AZERBAIJAN**

11:45 Q&A Session

12:00 Coffee break

12:30 Session 2: Creating a favourable political and economic environment for Caspian offshore development

Chairman: Kairgeldy Kabyldin, President, **KAZMUNAYGAS**

- Government strategy regarding for offshore development in Kazakhstan: goals, approaches, opportunities for investors
- Status of the Caspian waters: resources, opportunities, restrictions
- Secure export markets for Caspian oil and gas as an important condition for attracting mega investments
- How the unstable situation in the traditionally leading oil exporting countries is shifting world hydrocarbon exploration and production activities. Implications for Caspian offshore production

- Legal aspects of international cooperation in developing offshore projects in the Caspian. Opportunities and terms and conditions for PSAs
- Hydrocarbon potential

Berik Tolumbaev, Vice Minister, **MINISTRY OF OIL AND GAS OF KAZAKHSTAN**
 Kairat Sarybai, Vice Minister, **MINISTRY OF FOREIGN AFFAIRS OF KAZAKHSTAN**
 Norbert Jousten, Ambassador, Head of the Delegation of the European Union to the Republic of Kazakhstan, also accredited to Turkmenistan, **DELEGATION OF THE EUROPEAN UNION TO THE REPUBLIC OF KAZAKHSTAN**

Senior Representative, **MINISTRY OF FOREIGN AFFAIRS OF RUSSIA**
 Zhumageldy Yelyubayev, Business Unit Managing Counsel, **CHEVRON EURASIA**
 Senior Representative, **COMMITTEE OF GEOLOGY AND HYDROCARBON MANAGEMENT**

13:30 Q&A Session

13:45 Lunch hosted by 

15:15 Session 3: Key offshore projects in Kazakhstan. Key trends and corporate strategies for the development of offshore fields

Chairman: Malik Salimgereyev, Director for Management of Oil and Gas Assets, **NATIONAL WELFARE FUND «SAMRUK-KAZYNA»**

- Ensuring effective development of major offshore projects in Kazakhstan
- Successful participation of foreign companies in local offshore projects of Kazakhstan
- Regulatory approval system of Kazakhstan for exploration work: experience and lessons learned
- Environmental requirements for offshore oil operations

Kenzhebek Ibrashev, General Director, **KAZMUNAYTENIZ**

Campbell Anderson Keir, General Manager, **SHELL KAZAKHSTAN DEVELOPMENT B.V.**

Marcus Antonini, General Director, **CASPI MERUERTY OPERATING COMPANY**

Adletbek Bekeev, Deputy Chairman, **ENVIRONMENTAL REGULATORY AND CONTROL COMMITTEE**

16:30 Q&A Session

16:45 Coffee break

17:15 Session 4: Panel Discussion: Complying with the local content requirements in the development of offshore projects: how to cooperate and share experiences.

Open dialogue between offshore operators and leading contractors

Chairman: Zhandarbek Kakishev, Chairman, **NATIONAL AGENCY FOR DEVELOPMENT OF THE LOCAL CONTENT "NADLOC"**

Magzum Mirzagaliev, Managing Director Service Projects, **KAZMUNAYGAS**

Kenzhebek Ibrashev, General Director, **KAZMUNAYTENIZ**

Fuad Serikov, Deputy Director General, **KAZAKH INSTITUTE OF OIL AND GAS**

Anuarbek Jakiyev, Deputy General Director, **TENGIZCHEVROIL**

Marcus Antonini, General Director, **CASPI MERUERTY OPERATING COMPANY**

18:30 Gala reception

CONFERENCE DAY TWO: FRIDAY, 17 JUNE 2011

08:30 Coffee

09:00 Session 5: Current and prospective offshore oil and gas projects in the western Caspian of Azerbaijan and Russia

- Development of offshore projects of Azerbaijan including the Shah Deniz project and the infrastructure development of Azeri-Chirag-Gunashli (ACG), and future goals
- Experience of Russian technology providers in infrastructure development of the Korchagin field and opportunities for creating facilities for other Caspian fields
- Ensuring safe development of offshore fields in the northern Russian part of the Caspian
- Opportunities for cooperation between Russia and Kazakhstan in developing a border system of the Khvalynskoe and the Central
- Engineering, construction and operation support for offshore facilities in the Caspian Sea: environmental challenges, technical restrictions, opportunities for innovative projects

Senior Representative, **SOCAR**
Ilya Kokarev, General Director, **CASPIAN ENERGY GROUP**
Andrey Alekseev, Chief of Geology Department, **LUKOIL-NIZHNEVOLZHSKNEFT**
Alexander Denyakin, General Manager, E&P, **KAZMUNAYGAS**
Oleg Timofeev, Head Of Offshore Centre, **KRYLOV SHIPBUILDING RESEARCH INSTITUTE**

10:15 Q&A Session

10:30 Coffee break

11:00 Session 6: Developing routes and transportation means for reliable oil and gas supplied from offshore fields in the Caspian

- Export routes for Kazakh oil from the Caspian region
- Opportunities for Caspian countries to take an active part in the Energy Charter Treaty
- Prospects for the Azerbaijan-Georgia-Romania Interconnector (AGRI) with the involvement of new partners
- Opportunities for expanding fleet capacities in Kazakhstan and Azerbaijan to improve energy infrastructure

Arman Darbayev, General Manager for Oil Transportation Projects, **KAZMUNAYGAS**
Zafar Samadov, Senior Expert for Investment, **ENERGY CHARTER SECRETARIAT**
Gulmira Rzayeva, Research Fellow, Economic Analysis and Global Affairs Department, Energy Related Issues, **CENTRE FOR STRATEGIC STUDIES UNDER THE PRESIDENT OF THE REPUBLIC OF AZERBAIJAN**

Altynay Ualiyeva, Director of Representative Office in Astana, **KAZMORTRANSFLOT**

12:15 Q&A Session

12:30 Lunch

14:00 Session 7: Innovative technologies for exploration and production in the Caspian. Solutions for safety and risk management in offshore projects

- Applying modern technologies in the development of the Kashagan field
- ConocoPhillips experience in major projects – offshore environment
- Introduction to Tenaris' state of the art technology - Dopeless®
- Supplying products of "Premium" class for offshore projects in the Caspian region with the view of the development of the local content of Kazakhstan
- Safe shore: infrastructure development projects for supporting oil offshore operations

Dominique Monfrin, Strategy Planning General Manager, **NORTH CASPIAN OPERATING COMPANY**
Michael L Christensen, General Manager E&P Projects Europe & Africa, **CONOCOPHILLIPS**
Fernando Diaz Alberdi, General Director Deputy - Technical Sales and Field Service Manager (Caspian Region), **TENARIS GLOBAL SERVICES KAZAKHSTAN**
Sergey Rekin, General Director, **TMK-PREMIUM SERVICES**

15:00 Panel Discussion with Q&A Session: Understanding the offshore technology needs in the Caspian. What future technology developments should be done to make offshore development economically feasible

16.00 Closing of the conference and coffee
